It is the that we present because that we present because rapid-transit age; the age of the that we present herewith some rapid-transit age: the age of the that we present herewith some telegraph and telephone. A man speaks to-day and the entire world the ments, together with the faces of a state-day four feet on Pine street, and old three-story building now stands on it.

There are but twenty-four Kidney troubles, resulting far on it. reads his words to-morrow morning. There are but twenty-four Kidney troubles, resulting far SOL. HEYMAN & CO.,

ally? More than in any other manner. Indeed, it has been the Morris Tolk Sues for \$2,000 for advancement in science which has caused the advancement in material things. The discovery of steam Eleventh Precinct, and Lawrence Mc. permitted the railroad and the

E.000 damages.
Tolk alleges that while standing in front of his saloon on Nov. I the policemen assaulted him, and placed him under the policemen assaulted him, and placed him under the policement of science, but the further alleges that after he was which affects our very lives and same as it is by the medicine men in all circles of my acquaintances. 733, 735, 737, 739, 741, 743 8th Ave. of the Indians to-day. Gradually was still a matter of bigotry, of ence far too often is not realized emerging from such blindness, it tries and probable starters for Thursday's races are:

First Race—Five furtures.

Not 22—The entermination of Digotry, of until their treacherous fangs have fered in those days can scarcely be of life. Not life. imagined. They were bled, they of life, Nothing can be more dewere cupped, they were leeched,

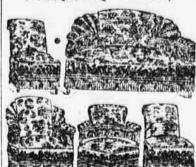

PROF, DR. KOCH, BERLIN.

they were subjected to every device whereby their vitality could be reduced and their lives endangered. It is almost a wonder that the race survived.

There has been an absolute revolution in the practice of medicine of a serious kidney trouble, I and in the treatment of human ilis, should at once use Warner's Safe Instead of undermining the vital Cure.
